The screenshot displays a presentation software interface. At the top, a teal navigation bar includes 'Home', 'File', 'Resize', and 'All changes saved'. The main menu contains 'Presentations are communication tools that can be used as ...', 'Upgrade', 'Share', and 'Present'. A yellow circle highlights the 'Present' button, which has a dropdown arrow. Below the menu, a sidebar on the left shows a search bar and a grid of templates under the heading 'Black and Green History Finance Presentation'. The main workspace shows 'Page 1 - Add page title' with a blue background. The slide content includes the text 'SatoriHaus | 2020', 'Workspaces for Creatives', and 'Presentations are communication tools that can be used as lectures, speeches, and more.' Below this is a large heading 'OUR MISSION'. Two images are present: one of a smartphone with 'LATEST TRENDS IN DIGITAL MARKETING' and a coffee cup, and another of a person sitting on a bench reading a book. 'Page 2' is partially visible at the bottom. A status bar at the bottom right shows '51%' zoom, a grid icon, and a 'Help ?' button.
